- Enjoy a refreshing and nutritious drink.

Remember, Ludacrisp apples shine in both sweet and [savory dishes](#). Get creative and explore the full potential of this exciting apple variety! ☐☐☐

## Conclusion

The **Ludacrisp apple**, despite its baffling name, is making waves in the apple world. Created by the Midwest Apple Improvement Association, this juicy and fruity variety is a must-try for apple enthusiasts of all ages. Let's delve into what makes Ludacrisp special:

- 1. Flavor Punch:** Ludacrisp lives up to its name. With a powerful flavor profile, it's either a hit or miss. Some describe it as sweet and intense, while others find it divisive.
- 2. Juicy Goodness:** As juicy as a ho's ass (as Luda might say), this apple drips with succulence. It's perfect for snacking or adding moisture to baked goods.
- 3. Origins:** Ludacrisp hails from the Lynd Fruit Farm in Pataskala, Ohio. Over 50,000 trees were sold in 2020, mostly in Ohio.
- 4. Name Game:** The Midwest Apple Improvement Association claims the name is a playful twist on "ludicrous." However, we can't help but wonder if Ludacris himself would approve. No affiliation with the rapper, but it's a conversation starter!

So, next time you spot Ludacrisp apples at the market, give them a try. Whether you're calling the FCC or telling other apples to get out da way, Ludacrisp is an apple experience like no other! ☐☐

e enthusiast or just curious, keep an eye out for the Ludacrisp apple this season.
